# YOUR QUESTIONS CHECKLIST

## Style & Experience :

- How would you describe your photography style?
- Have you photographed at our venue or similar settings?
- Can we see 2–3 full galleries from real weddings (not just the highlights)?
- What's your approach when couples feel awkward or camera-shy?
- Do you direct poses or keep things candid?

## What's Included :

- What's included in your packages? (Hours, second shooter, albums, etc.)
- Do we receive edited high-res images? Are there watermarks?
- Will we own the rights to print and share the images?
- Is an engagement shoot included or available to add?

## Wedding Day Logistics :

- Do you help build our photo timeline?
- What's your plan for family/group shots?
- How do you handle low-light settings or weather changes?
- What's your backup plan if you're unwell or unavailable?

## Image Delivery :

- How many images will we receive?
- What's the delivery timeframe?
- How will the images be delivered (online gallery, USB, etc.)?
- Do you offer albums or prints?

## Contract & Payment :

- What's the deposit and payment structure?
- What's your cancellation/rescheduling policy?
- Can we add extra hours or services later on?
- Are travel fees or GST included in your pricing?

**TIP:** Look for a photographer whose answers not only sound good — but feel like a match. If you find yourself nodding along or getting excited, that's a green flag.
